Dear Team Cobrapost

As per the guidelines of Ministry of Information and Broadcasting under the aegis of the GOPA contract, no private fm radio player is allowed to do any content / advertisement related to religion / communal issues. We abide by these rules at all times and even if approached by any such party 'attempting' to enquire/broadcast, we have refused the same without hesitation. No such content has ever been aired on our radio station 94.3 Radio One in any city in India, now or in the past.

Regards
